

## **Flight Operations Manual**

**Rev: 25**

Date: 5/20/05

### **4.30.6 Crew Composition**

14 CFR 121.385, 121.391, 121.533

The minimum flight crew for all operations shall be a Captain and a First Officer. The Captain must occupy the left seat and the First Officer must occupy the right seat.

At least one Flight Attendant is required on all revenue passenger flights.

At any time passengers are on board the aircraft, including boarding and deplaning, a Flight Attendant qualified on that equipment type must be on board the aircraft.
